

Seeking a Full-Time Children & Families Worker

We are two Anglican parishes serving the village of Mountsorrel in North Leicestershire. We are seeking to increase the work we do with children and families in the local Church and community. This full-time post will build on the work achieved by our Benefice Evangelist. You will be an integral part of our ministry team and have the opportunity to work alongside the staff and pupils of our Church school.

Our Church Vision

For a number of years, the parishes have held to the following mission statement: "To know Christ better, and to make Him better known". We also echo the Diocesan Shaped by God vision of looking for growth in number of disciples, depth of discipleship and outreach into our community through loving service of the world. As well as working towards these mission statements, we share the vision of looking for the growth in God's kingdom. We are looking for the signs of where God is at work among us and seeking ways to join in with what God is already doing here.

Our Church Worship

The two churches differ in style with one favouring the Book of Common Prayer. We are seeking to make the most of this distinction and are aiming to use this to create 'unique selling points' for each congregation. At St Peter's we are endeavouring to ensure our traditional form of worship remains authentic and the very best that it can be. At Christ Church, we are becoming more 'liturgy light' and, perhaps, appeal to a more contemporary worshipper.

About Mountsorrel

Mountsorrel is predominately British, white, born in the UK, with an approximate population of 9000 over an area of 1 square mile. A new housing estate will bring an additional 400-500 residents. The majority of the housing is owner occupied, together with both private rented and social housing. There are some pockets of poverty and deprivation in the benefice.

At one time, the Mountsorrel quarry was a significant local employer but now, with little industry in the village, the majority of residents travel out of the village for work. Stonehurst Farm is both a working farm and also a very popular visitor attraction. John's house, based at Stonehurst Farm, is Leicestershire's only Michelin Star restaurant. A new visitors' centre and station recently opened as part of the Great Central Steam Railway.

Mountsorrel also has a brand-new Community Centre, leisure centre with gym and swimming pool, a youth café and a good number of pubs, restaurants, cafes and take-aways. We have excellent links with the Waterside Inn where we hold some of our outreach events such as the annual Beer and Carols event and a Summer Songs of Praise.
